General Visitors

There are multiple car parking facilities in and around campus and visitors and attendees are not limited to parking in Cryfield Village Car Park opposite the Sports and Wellness Hub or Kirby Corner Multi-storey. If you're arriving by car, please be aware that parking on campus comes with a charge.

Parking can be paid for using the APCOA Connect app or through their website. Alternatively, you can also pay by machine, phone and by text message. Each car park is clearly signposted telling you how to pay using our location code 2503.

We kindly ask that facility users **do not park anywhere that is not a designated parking bay** as there are regular wardens who will issue fines for any parking deemed unsuitable and we cannot appeal on your behalf.

This car park joined onto the Sports and Wellness Hub and is strictly a member only car park. We advise that you do **not** park here.

Cryfield Village Car Park

Cryfield Village Car park is **directly opposite** the Sports and Wellness Hub. If you are coming from the A45, follow the signs to the University of Warwick. Take Kirby Corner Road, turn left at the first roundabout, then turn right onto Scarman Road at the mini roundabout. If you are coming from the A46, follow the signs to the University of Warwick. Take Gibbet Hill Road and turn left onto Leighfield Road at the mini roundabout.

If you are coming along Scarman Road, the car park is on the left-hand side, just after the mini roundabout, and opposite the Sports and Wellness Hub. If you are coming along Leighfield Road, the car park is on the right-hand side opposite the Sports and Wellness Hub.

Please be aware that this car park can be busy as we often have multiple events in addition to sporting events all over campus, if this is the case then please use **Kirby Corner Car Park**.

Kirby Corner Car Park

You can reach the University of Warwick via the A45, A46, M40 & M42. As you approach Coventry, simply follow the signs that state "University of Warwick". If you're using a SatNav, our postcode is CV4 8UW. You can also use the what3words reference /// [wool.staple.design](https://www.what3words.com/wool.staple.design) for directions to the car park.

Once you're on campus, make your way towards Central Campus, where you'll find the Kirby Corner Car Park on Kirby Corner Road. On your arrival, you'll see a large parking area with both open sections connected to a multi-storey. After parking in either of these areas, it's just a short 5–10-minute walk to reach the Sports & Wellness Hub. To get there, exit the car park onto Gibbet Hill Road, heading towards Warwick Business School. About halfway down that road, make a right turn onto the Spine Route and it will guide you directly to the Sports & Wellness Hub.

Blue Badge Holders

Registered Disabled Blue Badge holders have the same rights on the University campus as they have on the public highway, parking on Campus is free for blue badge holders displaying a valid blue badge.

Everything you need to use this service can be easily organised through the APCOA website. You will need to create an account and upload details of your blue badge, requesting parking to our site using

the location code 2503 (excludes Sports & Wellness Hub). Once you have registered your details, your application will then be reviewed within 48 hours and once approved, you can register a permit to park on our site free of charge. You will still be required to display your blue badge when parking in an accessible parking space. There are accessible parking spaces near all buildings on Campus, and blue badge holders may also use a standard parking space.

There are blue badge spaces in the Sports and Wellness Hub Car Park you can park in for free, **but you must register your car registration at the Sports and Wellness Hub Reception desk and display your badge.**

Pre-paid Car Parking

You can pre-pay for parking in advance through the link below:

<https://prebook.apcoa.co.uk/carpark/location/warwick-university-car-parks/3992>

Simply select which parking option you need from the weekday, weekend or evening options. Then select the date you will park and for how long you will need the parking for. After you've filled in your details and your registration number, the charge will then be calculated, and you can pay online in advance of your visit to us.

Coach and Minibus Parking

Coaches and minibuses are entitled to free parking on campus to promote carpooling and reduce the number of individual cars on site. Our car parks use an ANPR system to manage car parking onsite; therefore, to receive free parking, you must register the coach and/or minibus **prior to arrival onsite.**

If you do not register the vehicle prior to your arrival, you will be required to pay for parking as normal.

Please note that minibuses can use anywhere on campus once they have registered their vehicle. Coaches must drop off and head to the dedicated coach park on campus.

Please register your vehicle using the link below:

<https://warwick.ac.uk/about/campus-journey/mode-of-travel/coaches>

The form needs to be completed **at least 2 working days** before your event. If the VRN (vehicle registration number) is not provided prior or on the day to transportmobility@warwick.ac.uk then if a ticket is issued, we cannot appeal a ticket on your behalf as it is your responsibility to ensure that your vehicle is registered prior to arrival to the venue.

Failure to complete the form will mean that you must pay for parking on arrival.

On the form, under Department please put “Warwick Sport – Sales and Events Team”.

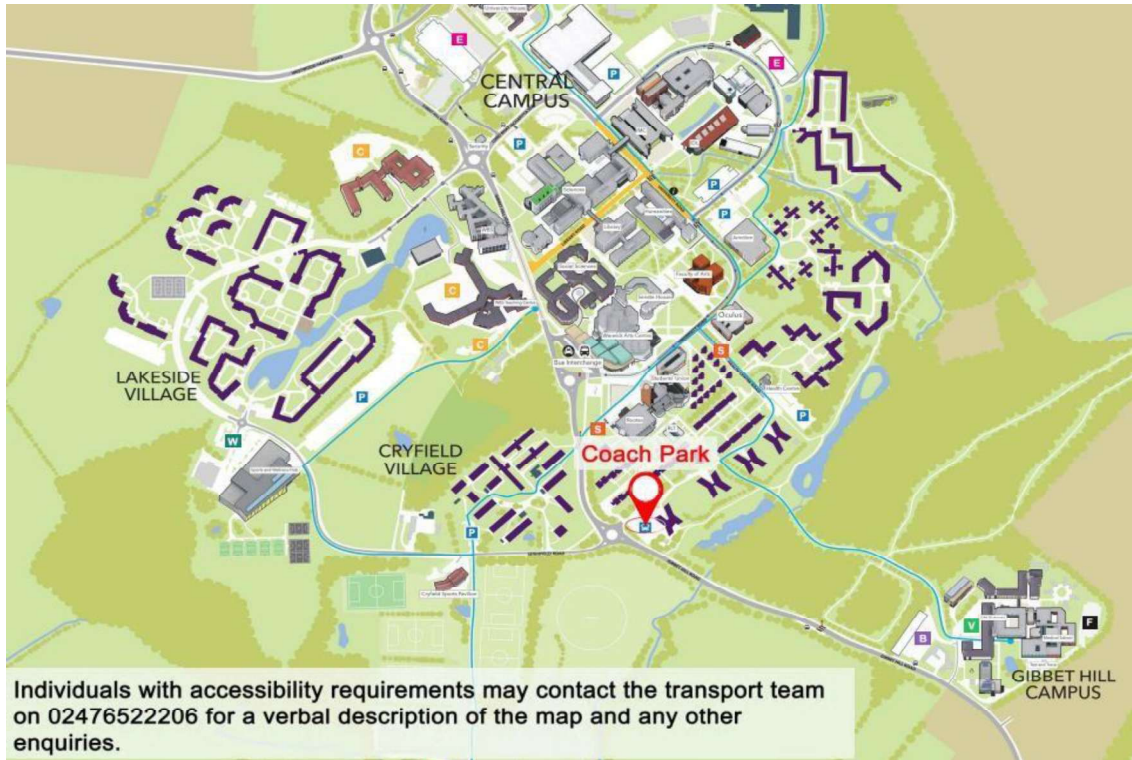

Under Arrival Location please put the car park you are intending to use whether that be the Coach Park, Cryfield Village or Kirby Corner.

Under “Departure location” please put the car park you are intending to use for the duration of the event whether that maybe the Coach Park, Cryfield Village or Kirby Corner.

Coach Parking

Address: Woodland Village, Gibbet Hill Rd, Coventry, CV4 7ES

What3Words: <https://w3w.co/farm.linked.often>

If you are parking in the coach park, then you must follow the same process as above and register your vehicle.

There are limited spaces in the Coach Park and therefore, when you arrive if this is the case then you can make your way up Leigh field Road to directly outside the Sports and Wellness Hub where there are bus stop bays where up to 4 coaches can park up for free.
